

# *Did You Know?*

The Town of Sunset Beach has the following ordinances in place regarding dogs.

When off your property, dogs must remain on a leash, any time, any place, in Sunset Beach. This includes the mainland, island, and the beach. Leash length should be no longer than 10 feet.

Dogs are prohibited on the beach between the hours of 9:00am—6:00pm, beginning the Friday before Memorial Day and continuing through Labor Day.

Pet owners must carry, in plain view, bags to remove all feces left by their pet on any public or private property that is not owned by said person.

We want your four-legged family member to have as much fun in the sun as you. Please be responsible and mindful of other guests.
