

## The Donation Program

Generous benefactors within our community have expressed interest in honoring their loved ones through the donation of memorial benches for the Town Park. Other civic-minded donors have stepped up to provide funding for public items of particular interest to the donors.

---

*Would you like to be included among those who have given back to the community through a public gift?*

---

Donation opportunities are not limited to those included in this brochure. If you wish to donate for one of these items or another public purpose, please contact the Town Administrator today!

Estimated amounts indicated in this brochure are based upon most recent cost estimates available. Donation amounts needed for specific gifts will be computed at the time of the gift acceptance.

# Giving opportunities...

## Sunset Swings

**EST. GIFT \$800**

Your gift of a Sunset Swing will provide a relaxing spot for folks to enjoy the salty breezes and picturesque sunset views of the Intracoastal Waterway.

Spaces for up to 8 wooden swings have been identified in the Town Park location. A recognition plaque is included.

## Bicycle Rack

**EST. GIFT \$900**

Your donation of a bicycle rack can assist in the Town's efforts to provide a cycle-friendly community. The Town of Sunset Beach has several bicycle racks in public locations throughout the community, but would like to upgrade existing racks and additional rack locations.

## Park Bench

**EST. GIFT \$1600**

The Town Park has places for up to five memorial park benches. The attractive benches are constructed of powder-coated steel for long-term durability. A bronze recognition plaque and the installation of a concrete base are included in the estimated donation needed for this item.

## Accessible Surf Chair

**EST. GIFT \$1400**

Your donation of an accessible surf chair helps provide mobility-impaired residents and visitors with the ability to visit the Sunset Beach strand. The Town currently has six (6) surf chairs, but the need often exceeds the number of available chairs during the Town's busy summer season.
