

How it Works

- The program is designed to assist those who are elderly, disabled, ill, or single and alone, by performing a regular check on their well-being.
- Simply fill out the form on the inside of this brochure, and turn it in to any Officer or at the front desk of the Sunset Beach Police Department.
- After completing the initial setup, an officer will call you on a daily or weekly basis. The usual time for this call is around 9AM, and on Mondays for weekly checks, but you may request another time or day. In the event that we are unable to contact you, we will attempt to visit your residence, and then, if necessary, we will call your emergency contact(s).
